

PUBLIC CONDUCT ON SCHOOL PROPERTY

District personnel, students, volunteers, visitors, and persons using or upon District property, including all District buildings, parking lots and grounds and any vehicle used by the District to transport students to school activities, shall not engage in the conduct described below. These provisions shall apply to community use and fundraising activities conducted on school property. Individuals violating this policy may be directed to leave school property, barred thereafter from being present on school property, disciplined as provided policies or agreements applicable to students and staff, and/or referred to law enforcement as appropriate under the circumstances.

1.0 Alcohol, Drugs/Controlled Substances and Illegal Contraband. Unlawful use, possession, distribution, service or sale of alcohol, drugs, other controlled substances and other illegal contraband.

2.0 Tobacco. Use, distribution, sale, or transfer of any tobacco product, including but not limited to cigarettes, cigars, and smokeless tobacco. Possession of tobacco products by all students shall also be prohibited.

2.1 Administrators may request members of the public who use tobacco products contrary to this policy to refrain from use.

2.2 Administrators may respond to further violations by a member of the public by issuing a directive for the member to leave District property or the District event.

2.3 Principals may bar a member of the community from entering school property or attending school activities for repeated violations of this policy.

3.0 Weapons. Possession of a firearm, explosive device, knife, or other dangerous weapon as defined by law or by Superintendent Policy.

PUBLIC CONDUCT ON SCHOOL PROPERTY, cont.

3.1 This restriction shall not apply to police officers employed by a municipality and assigned to a school building as School Resource Officers, law enforcement personnel who are legally required and approved to carry or use weapons in order to perform their necessary duties or functions, or those individuals expressly authorized by the Superintendent to carry such weapons. No District school may create nor authorize job descriptions which would in any way authorize the carrying of weapons.

4.0 Conduct with Risk of Harm. Persons present on District property shall not engage in conduct which poses a reasonable risk of harm to persons or District property, including but not limited to skateboarding, rollerblading, “heelies”, sledding and snowboarding, except as expressly authorized by a building administrator. This prohibition shall not extend to those activities on school property expressly permitted in a community or joint-use agreement executed by the District.

5.0 Disruptive Conduct. Persons present on school property shall not disrupt or interfere with educational activities and operations, including any extra-curricular or school-sponsored activities. Administrators and/or designees may direct persons who have engaged in such conduct to leave school property, may request the assistance of law enforcement officials, and may impose conditions or a total ban upon the individual’s future presence on school property.
