

Job Description
Prepared/Revised: April 2021

Job Title: **Student Support Services Director**
Job Family: **Certified**
Pay Program: **Administrative**
Typical Work Year: **12 months**

Job Code: **3026**
FLSA Status: **Exempt - E**
Pay Range: **L17**

SUMMARY: Provide senior level, district-wide leadership, advocacy and education to schools and other departments in regards to evidenced-based best practices and programming for students with special education needs. Provide assistance and support to the Executive Director of Student Support Services in the development, implementation, and evaluation of department goals. Provide leadership for strategic professional development programming, in collaboration with the district professional learning team, for teachers and providers aligned to the District's strategic plan and district-wide beliefs about adult learning. Model strong and effective collaboration, interpersonal and problem-solving skills. Responsible for leading and providing knowledge, guidance, and support of building level administrators and Student Support Services staff for students with special learning and behavioral challenges in the area of professional development, programming, and service delivery to increase student achievement.

ESSENTIAL DUTIES AND RESPONSIBILITIES: *To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Job tasks and percentage of time may vary based on assignment.*

Job Tasks Descriptions	Frequency	% of Time
1. Oversee and provide knowledge, guidance, and support to building level administrators and Student Support Services staff, including Coordinators, district specialists and itinerant special education providers, for students with special learning and behavioral challenges in the areas of professional development, programming, and service delivery to increase student achievement.
