BOARD BUSINESS

Ends Policy Review and Discussion (Item B-1)

Priscilla Straughn, Executive Director of Curriculum and Instruction presented information regarding the Colorado State Standards to inform the Board's discussion around defining literacy.

The Board reviewed input received from its 3 year community engagement process. Members worked in breakout groups and as a whole to detail the feedback received from parents, staff and community, grouped similar topics and drafted policy language to address the group topics.

Lunch and Superintendent Update (Item B-2)

The Superintendent updated the Board on the District's bond planning to narrow the needs list from \$500 million to \$350 million and to hone specificity at the building level regarding projects that allow effective communication and accountability.

Operating Limitations Policy 2.4.1 Financial Condition and Activities: General Fund Balance – Plomer/Gdowski (Item B-3)

The Board discussed language in Policy 2.4.1 regarding ending fund balance, use of the 3% discretionary reserve, and replenishing the reserve in light of administration's request for waiver to this policy. A revised Board Policy 2.4 will be brought to the Board for consideration at its June 15, 2016 meeting. The Superintendent will also present a plan for restoring the 3% discretionary reserve in the General Fund at that meeting.
