

Athletic Trainers

HORIZON HIGH SCHOOL

Jeff attended Metro State College of Denver for his bachelor's degree in Athletic Training and pursued his postgraduate work at the University of Colorado at Colorado Springs. He has worked as an athletic trainer at all levels. Jeff is committed to guiding athletes through a thorough and safe return to sports and all other activities. Jeff is an avid reader, and enjoys bike riding, swimming, hiking, and all forms of exercise.

LEGACY HIGH SCHOOL

Tim's passion for athletic training started as a junior in high school when his athletic trainer taught an introduction to sports medicine class. From there he pursued his dream to become an athletic trainer at James Madison University working with a number of DIAA athletes. After graduating from JMU in 2013 with a degree in athletic training he accepted a graduate assistantship at the University of Hawai'i Manoa to obtain a master's degree in athletic training. Tim graduated in 2015 and accepted a position at Children's Hospital Colorado. He enjoys spending his time outside hiking, backpacking, camping snowboarding, exercising, fishing, hunting, rock climbing, and spending time with his dog. He currently works at Legacy High School as the head athletic trainer.

Timothy Cuddeback, ATC
Head Athletic Trainer
Legacy High School

MOUNTAIN RANGE HIGH SCHOOL

Jenny graduated from North Dakota State University, in Fargo, ND, with a B.S. degree in Exercise Physiology and minors in health education and nutrition. She has worked in a variety of different healthcare settings, and has found that her passion is working with high school athletes. Jenny believes that partnership between Children's Hospital Colorado and Adams 12 has thoroughly enhanced sports medicine for our student-athletes! Jenny and her husband, Doug, are the proud parents of their two sons, Caleb and Colton.

Athletic Trainers

NORTHGLENN HIGH SCHOOL

Robert Lopez is an El Paso native who moved to Lubbock, Texas to further his education at Texas Tech University in 2008. He was a student Athletic Trainer for TTU while obtaining his Bachelors of Science in Exercise and Sport Sciences and worked with the football, volleyball, soccer, softball, and track and field teams. After Robert completed his bachelors, he attended Texas Tech University- Health Sciences Center and obtained his Masters of Athletic Training in May of 2015. While in the graduate program, he worked with local high schools, rehabilitation clinics, and at Lubbock Christian University as a Masters of Athletic Training Student. After his master's, he moved to Houston, Texas to work as an Assistant Athletic Trainer at Rice University for 2 years. There he worked with the football team in the fall and volleyball team in the spring.

Robert recently moved to Denver this past February and worked as the Head Athletic Trainer for Denver South High School before joining the Children's Hospital Sports Medicine Team. He is currently the Head Athletic Trainer at Northglenn High School. He spends most of his free time with his dogs: Tucker, Everette and Kain; site seeing; camping/ hiking; and playing volleyball.

Robert is certified by the National Athletic Trainers' Association Board of Certification, registered through CO DORA, and licensed by the state of Texas. He is also a member of NATA, SWATA, and RMATA.

THORNTON HIGH SCHOOL

Originally hailing from Redlands, CA and attended Redlands East Valley HS. I spent two years at Riverside Community College to accumulate credits and clinical hours in the athletic training program to be able to transfer to a four year university. I earned my BS in Athletic Training at Fresno State in 2013. I moved to Akron, OH to earn my MS in Exercise Physiology/Adult Fitness at the University of Akron, graduating in 2015. While at UA I served as a graduate assistant to the Department of Sports Medicine and worked with the softball team. I enjoy hiking, being outside, and exercise. I enjoy coming to work to hear about academic and athletic accomplishments of each of the students that come into the sports medicine clinic. I look forward to continuing to make a positive impact on the students of Adams 12 through knowledge, understanding, and education.

Scott Long, ATC
