

Adams 12 Five Star Schools – Feeder Chart

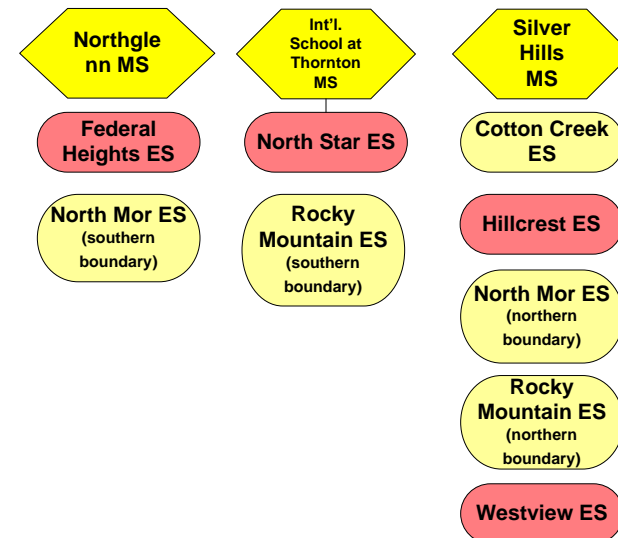

Legacy HS

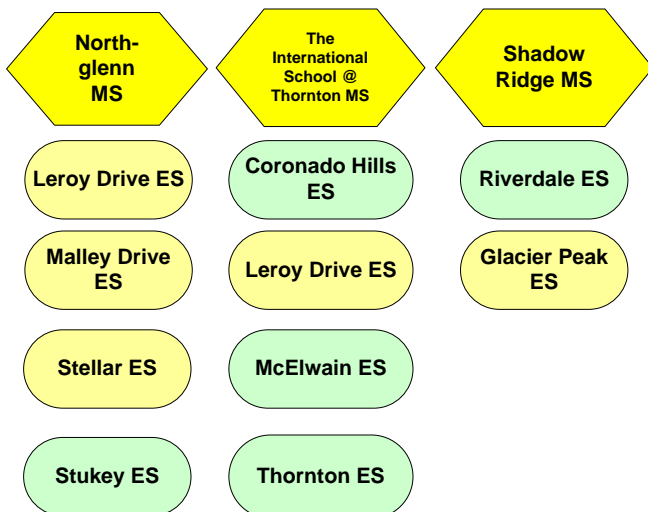

Horizon HS

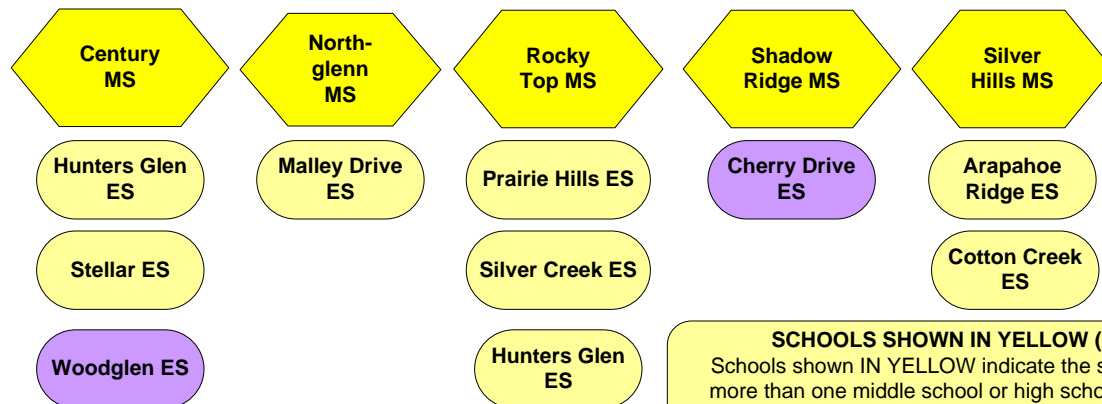

Northglenn HS

Thornton HS

Mountain Range HS

SCHOOLS SHOWN IN YELLOW (2 SHADES)

Schools shown IN YELLOW indicate the school feeds into more than one middle school or high school, called a "split feeder" system. Schools with a split feeder system are shown more than once in order to represent a complete feeder system.

To determine the specific feeder system for a specific address please reference the boundary locator at: http://www.adams12.org/boundary_locator
