

ATTENTION PARENTS

of incoming sixth-grade students

URGENT IMMUNIZATION REQUIREMENT: Tdap Vaccine – 1 dose

Colorado law has additional immunization requirements for all Middle School Students. The Tdap vaccination offers adolescents and adults added protection against pertussis (whooping cough). It may also prevent the transmission from adolescents and adults to infants.

1. Prior to entering the sixth-grade, students must have written documentation of the additional vaccine prior to starting classes for the school year. Please check your child's shot record or with your child's health care provider and schedule an appointment to obtain this required vaccine.

2. If your child does not have a primary care provider contact **Tri-County Health Department** or **Broomfield County Health Department**.

Tri-County Health Department

Bring current shot record

Walk-in hours: Tuesdays 8:30 am – 10:00 am

Appointment line: (303) 451-0123

1401 W 122nd Ave Suite 200

Westminster, CO 80234
