

# IMMUNIZATION REQUIREMENTS

## ALL INCOMING 6<sup>TH</sup> GRADE STUDENTS

### TDAP Vaccine – 1 dose

Colorado law has additional immunization requirements for all Middle School Students. The TDAP vaccination offers adolescents and adults added protection against pertussis (whooping cough). It may also prevent the transmission from adolescents and adults to infants.

1. All students entering 6<sup>th</sup> grade must have written documentation of the additional vaccine prior to starting classes for the 2021-2022 school year. Please check your child's shot record or with your child's health care provider and schedule an appointment to obtain this required vaccine.

2. If your child does not have a primary care provider contact:
