

TRANSPORTATION – USE BY SENIOR CITIZEN GROUPS

- 1.0 Use of District motor vehicles shall be available as provided in this policy to groups of five or more residents of the District who are 65 years of age or older. For cost efficiency purposes, it is preferred that the groups include fifteen or more participants.
- 2.0 District motor vehicles shall be provided if available after meeting District needs, including but not limited to the following:
 - 2.1 To, from and between school transportation.
 - 2.2 Activity transportation.
 - 2.3 Emergency and standby transportation.
 - 2.4 Maintenance and service of equipment.
- 3.0 Actual costs expended shall be charged to the group or sponsoring agency.
- 4.0 Insurance coverage shall be provided by the District to cover senior citizen use of District vehicles.
- 5.0 All transportation pursuant to this procedure must be within the State of Colorado.
- 6.0 The Director of Transportation is authorized to establish contracts providing for the reasonable use of District vehicles and reimbursement of all actual costs attributable to this use.
