

OFF-CAMPUS BEHAVIOR

- 1.0 Behavior which takes place on or off campus may result in discipline sanctions up to and including expulsion from school when such behavior was or is likely to be detrimental to the welfare or safety of other students or of school personnel, including behavior that creates a threat of physical harm to the student or other students. Such misconduct may include, but is not limited to, any of the behavior violations identified in District Policy 5000.
- 2.0 In determining whether off-campus misconduct is or is likely to be detrimental to the welfare or safety of students or school personnel, the administrator shall consider, among other relevant factors: the extent to which other District students were involved in or present during the off-campus misconduct; the proximity to school and the school day; and the known or predicted negative impact or effect the misconduct had or is likely to have on the school environment. The existence of criminal charges and/or a criminal adjudication in relation to off-campus behavior may also be considered in determining whether the misconduct warrants school sanctions.
