

Ambassador LEADERSHIP TRAINING

How can I learn more about the district?

What kind of leader am I?

How can I improve my leadership skills?

How can I be more involved?

How can I help ELEVATE our district?

How do we continue to ELEVATE student success? By investing in our World-Class Staff with training and learning opportunities!

Introducing the Ambassador Leadership Training (ALT), which provides opportunities for Five Star staff members of any role or department to collaborate with other leaders in the district, increase their leadership skills and understand the ins and outs of the district in which they serve.

The ALT builds employee leadership skills while developing a districtwide cultural ambassador network by helping staff members **know the district, know themselves as leaders and know how to make an impact.**
