

Adams 12 Assessment Calendar 2018-19

Name of Assessment	CMAS Science	CMAS Social Studies	CMAS English Language Arts	CMAS Math	NAEP	NNAT3	PALS	TS Gold Survey	SAT	PSAT 10	PSAT 9	ACCESS	MAP Reading	MAP Math	W-APT	WIDA Screener	DLM
Required - Federal, State, or Local	Federal and State (CRS 22-7-1006.3)	State (CRS 22-7-1006.3)	Federal and State (CRS 22-7-1006.3)	Federal and State (CRS 22-7-1006.3)	Federal and State (CRS 22-7-1006.3)	Local (based on strong suggestion from Colorado)	State (CRS 22-7-1205)	State (CRS 22-7-1014)	State (CRS 22-7-1006.3)	State (CRS 22-7-1006.3)	State (CRS 22-7-1006.3)	State (CRS 22-24-106)	Local	Local	State (CRS 22-24-106)	State (CRS 22-24-106)	State (CRS 22-24-106)
Grades Tested	5, 8, 11	4, 7, 11	3-8	3-8	4 and 8	2	K-3	K	11	10	9	K-12	1-9, optional for K and 10	1-9, optional for K and 10	K	1-12	3-11
Student Population	All students in selected grades except for students taking the Alternate for students with significant disabilities	All students in selected grades from a sample of schools every 3 years	All students in selected grades except for students taking the Alternate for students with significant disabilities	All students in selected grades except for students taking the Alternate for students with significant disabilities	A randomly chosen sample of 4th and 8th grade students are selected at specific schools.	All students in selected grade	All students in selected grade	All students in selected grade	All students in selected grades except for students taking the Alternate for students with significant disabilities	All students in selected grades except for students taking the Alternate for students with significant disabilities	All students in selected grades except for students taking the Alternate for students with significant disabilities	All English Language Learners (ELLs) in selected grades except for students taking the Alternate for students with significant disabilities	All students in selected grades except for students taking the Alternate for students with significant disabilities	All students in selected grades except for students taking the Alternate for students with significant disabilities	All incoming English language learners in selected grade	All incoming English language learners in selected grade	Students with significant disabilities in the selected grade levels
Type(s) - Summative, Interim, Formative, Diagnostic	Summative	Summative	Summative	Summative	Summative	Diagnostic	Diagnostic	Diagnostic	Summative	Summative	Summative	Summative	Interim	Interim	Diagnostic	Diagnostic	Summative
Content Standards	Colorado Academic Standards	Colorado Academic Standards	Colorado Academic Standards	Colorado Academic Standards	N/A	N/A	Colorado Academic Standards	School Readiness Standards	Strong alignment to the Colorado Academic Standards	Strong alignment to the Colorado Academic Standards	Strong alignment to the Colorado Academic Standards	Colorado English Language Proficiency Standards	Colorado Academic Standards	Colorado Academic Standards	Colorado English Language Proficiency Standards	Colorado English Language Proficiency Standards	Strong alignment to the Colorado Academic Standards
Purpose of Assessment	Measure knowledge of science standards	Measure knowledge of social studies standards	Measure knowledge of literacy standards and college & career readiness	Measure knowledge of math standards and college & career readiness	Measure knowledge of math and reading	GT Identification	Identify students at risk for significant reading deficiencies and in need of early intervention.	Determine students' readiness for kindergarten by measuring the knowledge, skills, and behaviors that are predictive or most important for school success.	Measure college & career readiness	Measure college & career readiness	Measure college & career readiness	Measures students progress in acquiring the English language in the domains of speaking, listening, reading, & writing	Measure students progress and growth in reading	Measure students progress and growth in math	Screen incoming English language learners to provide teachers a baseline of the student's English language proficiency in the areas of speaking, listening, reading and writing.	Screen incoming English language learners to provide teachers a baseline of the student's English language proficiency in the areas of speaking, listening, reading and writing.	Measures what students with significant cognitive disabilities know and can do in the content areas of English Language Arts and Mathematics
Use of Assessment Results	Public reporting, accountability, improvement planning, curriculum & instructional review	Public reporting, accountability, improvement planning, curriculum & instructional review	Public reporting, accountability, improvement planning, curriculum & instructional review	Public reporting, accountability, improvement planning, curriculum & instructional review	The largest nationally representative assessment of what students in the United States know and can do in mathematics and reading. The results are released as The Nation's Report Card.	Part of GT identification body of evidence; initiate ID process	Screen, diagnose, and progress monitor students' fundamental components of literacy. READ Plans developed for students identified as having a significant reading deficiency.	Determine the status and ongoing progress a student makes with the domains of school readiness. Kindergarten Readiness Plans will be developed for students not demonstrating progress toward school readiness.	Public reporting, accountability, improvement planning, curriculum & instructional review	Public reporting, accountability, improvement planning, curriculum & instructional review	Public reporting, accountability, improvement planning, curriculum & instructional review	Improvement planning, curriculum & instructional review. Used as part of a body of evidence to determine when students may exit the English language acquisition program.	Improvement planning, curriculum & instructional review and monitoring ongoing student achievement and growth	Improvement planning, curriculum & instructional review and monitoring ongoing student achievement and growth	Help educators determine the student's English language proficiency for placement into appropriate services.	Help educators determine the student's English language proficiency for placement into appropriate services.	Public reporting, accountability, improvement planning, curriculum & instructional review
Type of Administration	Online	Online	Online	Online	Online	Group; online	1:1 teacher-student, with group components	1:1 teacher-student and small group ongoing observation	Paper	Paper	Paper	K- Paper Grades 1-3 Paper/Online Grades	Online	Online	Paper	Online	Online
Item Type(s)	selected response, technology enhanced, constructed response	selected response, technology enhanced, constructed response	selected response, technology enhanced, constructed response	selected response, technology enhanced, constructed response	N/A	Multiple choice	Oral selected response, written selected response, written constructed response	Performance tasks for numeracy and literacy observation of skills	selected response, constructed response	selected response, constructed response	selected response, constructed response	selected response, constructed response, verbal response	selected response	selected response	selected response, constructed response, verbal response	selected response, constructed response, verbal response	selected response, constructed response, verbal response
