

ARCHULETA SCHOOL DISTRICT, 50JT.
STATE OF COLORADO

Resolution Affirming the Importance of the 2020 Census for the Archuleta School District 50 Jt. Community

WHEREAS, the decennial Census occurs every ten years to enumerate every person residing in the United States, and is fundamental to ensuring that all residents of our school district and communities have access to fair representation, essential services, and economic development; and

WHEREAS, an accurate count of persons living in the school district and communities in the 2020 Census is vital to determine the representation of individuals, families, and communities in our local, state, and federal governments; and

WHEREAS, the 2020 Census count of children living in Archuleta School District will be the basis of federal education funding allocated to our schools over the next ten years, specifically the federal programs serving our students living in poverty and students with disabilities; and

WHEREAS, population data derived in the 2020 Census will be used by both government and businesses to determine services and investments like libraries, health clinics, and grocery and retail stores; and

WHEREAS, the decennial Census has historically undercounted populations in large, rural areas such as ours; and

WHEREAS, children are more likely to be missed in the Census count if they reside in the complex households that are also common in rural areas, such as multi-generation households, extended families, and multi-family households; and

WHEREAS, during the 2020 Census, there is a heightened risk of an undercount due to the digital divide, language access issues, and local community mistrust in the federal government; and

WHEREAS, local and state governments, as well as community-based organizations, can play a critical role in counteracting the undercount risks, reaching hard-to-count populations, and ensuring their communities get counted in 2020; and

WHEREAS, it is paramount for the school board, superintendent, principals, teachers, parent organizations, and all local leaders in the community to communicate the importance of Census 2020 to families and community members to ensure everyone is counted;

THEREFORE, BE IT RESOLVED, that Archuleta School District 50 Jt. will encourage a complete count of all students and their families residing within the school district on the 2020 Census; and

BE IT FURTHER RESOLVED, Archuleta School District 50 Jt. is committed to working in partnership with other local civic, business, and community leaders, the State of Colorado, and others to engage, educate, and count every resident in our communities and county of Archuleta in the 2020 Census.

Approved this 10th day of December 2019.
