

Our School's INVESTMENT PLAN

2016 BOND PROPOSAL

The 2016 bond proposal provides every school with funding for building improvements.

Read below for a detailed list of your school's specific projects.

Bollman Technical Education Center

PROJECTED OVERALL BUDGET

\$3.9 - \$4.6 MILLION*

* Value listed subject to change based on project estimates and additional discovery.

BUILDING STRUCTURE

- Repair building structure and systems in the crawlspace
- Replace failing exterior window and door systems

BUILDING INTERIORS

- Repair, restore or replace failing bathroom partitions
- Replace failing countertops

RENOVATIONS & REMODELS

- Remodel priority items, such as ceilings, walls, floors, windows, doors, painting upgrades, paving restoration, lunch rooms, classrooms and bathrooms

 **SIGNIFICANT RENOVATION**

BUILDING SYSTEMS/SAFETY & SECURITY

- Install electronic card access to promote a safe and secure building
- Relocate security panel for upgraded access
- Replace deteriorating sewer system components
- Upgrade electrical components for increased capacity and to avoid building power loss
- Upgrade heating and cooling systems for efficiency and more consistent temperature control for comfort
- Upgrade emergency response system
- Improve security camera system

SCHOOL GROUNDS

- Repair/restore failing sidewalks and stairs

INSTRUCTIONAL UPGRADES

Each school is provided with funding for instructional upgrades that will be determined through a collaborative process with the school community. Categories can include furniture, technology, space modifications, safety and security upgrades and specials/electives.
