The Studio School	Gym Addition	Major gut of interior w/ asbestos removal, Mechanical, A/C, Playground	Site, Playground, IT, Security**	Site, Playground, IT, Security**
Thornton Elementary School	ADA accessibility @ RR, HVAC upgrades/repair	Interior,A/C, Site, Playgrounds, IT	Mechanical, Site, Interior, IT, Security**	Mechanical, Site, Interior, IT, Security**
Thornton High School	HVAC repair/replace, renovate Auditorium, Pedestrian bridge, athletic field upgrades	Interior, Site, IT, Mechanical	Mechanical, Site, Interior, IT, Security**	Mechanical, Site, Interior, IT, Security**
Transportation Services ***				
Vantage Pt/Crossroads	Track&Field upgrades, asbestos removal, *infrastructure upgrades	CR Renovation for Crossroads MS Inclusion	Facility, IT	Facility, IT
Veterans Memorial Aquatic Center ***				
Westlake Middle School	*infrastructure upgrades	Interior, Mechanical, Site, IT	Mechanical, Site, Interior, IT, Security**	Mechanical, Site, Interior, IT, Security**
Westview Elementary School	*infrastructure upgrades	A/C, Interior, Mechanical, IT, Playground, Site	Mechanical, Site, Interior, IT, Security**	Mechanical, Site, Interior, IT, Security**
Woodglen Elementary School	*infrastructure upgrades	Interior, Mechanical, Site, Playground, IT	Mechanical, Site, Interior, IT, Security**	Mechanical, Site, Interior, IT, Security**

KEY

A/C = Repair to school air conditioning. **Facility** = Repair and maintenance to the facility. **Interior** = Select interior finish replacement. **IT** = Information Technology upgrades. **Mechanical** = Mechanical Repairs to Building. **Playground** = Repairs to the playground on school property. **Security** = Security Upgrades. **Site** = Repairs to the school site.

NOTES

* Infrastructure Upgrades refer to projects that improve the safety and performance of our district's schools and other facilities. These upgrades include mechanical, heating, ventilation and air conditioning systems (HVAC), electrical lighting and power systems, intercom systems, floor replacment or repairs, technology upgrades to improve data, video and telecommunications service. It also includes boiler replacment and asbestos removal.

** Security Upgrades may include installation of electronic card access control, autumatic lockout system for emergencies, visitor and volunteer tracking software, installation of security camera and digital video recorder.

*** Funded by Certificates of Participation, ESC in 2000 & Support Service Center, Veterans Memorial Aquatic Center in 2007
