

# MIDDLE SCHOOL INVESTMENT PLAN

## Ballot Issue 5C and Amendment 73 Funding Proposal

At Century our focus is on providing opportunities, expectations and support for each student to become a knowledgeable, open-minded, active and caring citizen of an ever-changing world. With these proposed investments, we will have the opportunity to further elevate student success by continuing to support the physical, academic and social-emotional needs of all students. Through new safety measures such as additional campus security and increasing building maintenance budgets, Century will remain an optimal learning environment for our students.
