

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

Coronado Hills Elementary recently earned the highest performance score in the school's history as determined by the state. In our ongoing effort to provide a strong educational experience for every student in every class, additional funding would allow us to support smaller class sizes, attract world-class staff and further enhance the social-emotional learning at Coronado. Our school's success wouldn't be possible without the support of the entire school community and for that I want to say thank you!

- Donald Beuke, Coronado Hills Elementary Principal
