

**Job Description**  
Prepared/Revised: March 2019

Job Title:	<b>Director, Career &amp; Technical Education and Post-Secondary Readiness</b>	Job Code:	<b>5071</b>
Job Family:	<b>Certified</b>	FLSA Status:	<b>Exempt - E</b>
Pay Program:	<b>Administrative</b>	Pay Range:	<b>L 15</b>
Typical Work Year:	<b>12 months</b>		

**SUMMARY:** Provides leadership, direction, and coordination of post-secondary and workforce readiness initiatives and systems district wide. As part of Learning Services team, this position aligns work and initiatives with the district’s Instructional Framework. Lead districtwide development of all Career and Technical Education (CTE) programs, professional development, and related vocational credentialing and concurrent enrollment opportunities. Ensure a quality educational experience by preparing students to pursue a bachelor’s degree, associate’s degree or industry credential/certification, military service or direct entry into the workforce. Prepare students with the specific technical skills, employability skills and content knowledge necessary for advancement in a career path.

**ESSENTIAL DUTIES AND RESPONSIBILITIES:** *To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

Job Tasks Descriptions	Frequency	% of Time
1. Possess knowledge and applicable understanding of the Colorado Vocational Act and the principles of Career and Technical Education; including organization, delivery and evaluation of secondary programs. Know and understand current trends and programs in Career & Technical Education. Lead, support, and coordinate district-wide secondary CTE programs through planning and implementation processes.	D	25%
2. Coordinate, develop, implement and assess the District’s CTE programs and course offering to support career pathways and integrated academics. Coordinate all reporting and record keeping (Gather, submit, and disseminate information regarding concurrent enrollment credit and opportunities) required for the Colorado Community College System (CCCS) and Technical Education Act (TEA), and any state or federal grants related to workforce readiness initiatives. Responsible for budget oversight, program development, management, evaluation and required reporting on the entitlement-based Carl Perkins Grant.	W	25%
3. Gather, analyze, and interpret a variety of data, and utilize data to plan strategies for program improvements, advancements and additions. Support the School Improvement Process at each CTE campus.	W	10%
4. Organize and structure representation from the private sector and the business community as members of advisory committees, and CTE informational resources. Recognize, understand and apply current labor market trends in the planning and designing of CTE programs. Represent the District’s interests on local, regional and state committees or similar groups related to career readiness and post-secondary opportunities.	W	20%
5. Collaborate with district executive directors and directors in long range professional development planning based on District’s strategic plan, identified student outcomes, and district and program data. Coordinate technical assistance and provide professional development opportunities for CTE teachers and leaders. Oversee the issuance and currency of credentials for CTE teachers.	M	5%
6. Work directly with comprehensive high school principals, alternative education campuses, middle level principals and career and technical education campuses to support programming and provide leadership and expertise. Markets the schools and programs to increase enrollment and communicate the achievements of both. Adhere to district policies, superintendent and board of education priorities, and negotiated agreements.	M	10%
7. Perform other duties as assigned.	Ongoing	5%
