

# Our School's INVESTMENT PLAN

## 2016 BOND PROPOSAL

The 2016 bond proposal provides every school, including charter schools, with funding for building improvements.

*Read below for the possible ways in which Prospect Ridge Academy can utilize this money.*

## Prospect Ridge Academy

PROJECTED OVERALL BUDGET

# \$6.3 MILLION

- New K-8 outdoor space (playground, field, shade structures)
- New turf field with 8-lane track, bleachers, concessions, and amenities
- Additional full-size gymnasium for elementary, middle and high school
- Additional middle school classrooms
- New K-8 cafeteria for both elementary and middle school lunch
- New K-12 auditorium (theater, music, assemblies, presentations)

The Prospect Ridge Academy Administration, Board of Directors and Facilities Subcommittee have engaged DLR Group in a process of long-term campus master planning. Through this process, the above K-12 campus facility needs have been identified. Should the Adams 12 Five Star Schools 2016 bond proposal be approved by voters in November, Prospect Ridge Academy would receive approximately \$5.8 million and would be able to move forward with many of the K-12 master planning priorities identified above.
