

**Job Description**  
Prepared/Revised: July 2019

Job Title: **Chief Academic Officer**  
 Job Family: **Certified**  
 Pay Program: **Administrative**  
 Typical Work Year: **12 months**

Job Code: **100223**  
 FLSA Status: **Exempt – E**  
 Pay Range: **L 27**

**SUMMARY:** Reporting directly to the Superintendent, the Chief Academic Officer (CAO) is responsible for leading all aspects of the district directly related to its core instructional mission. The CAO is responsible for implementing the educational policies and practices of the district that address student academic achievement. This includes the responsibility to plan, direct, organize, coordinate, implement, monitor, and manage all district (K-12) educational and instructional programs, policies, and procedures addressed by the following departments/areas: learning services, content specialists, special education, Title 1, English Language Learners, diversity, gifted and talented, assessment and accountability, professional development, accreditation, athletics and activities, educational technology, STEM, IB and other magnet programs, charter schools, grants and federal programs, early childhood, preschool, prevention, intervention and student discipline, and other related programs. The CAO is indirectly responsible for the direction and supervision of building administrators. The CAO serves as a liaison to the Board of Education, community groups, parents, departments, schools, and various district groups and committees. The CAO collaborates with fellow district leadership team members and researches, communicates, and implements short-term and long-term educational planning.

**ESSENTIAL DUTIES AND RESPONSIBILITIES:** *To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

<b>Job Tasks Descriptions</b>	<b>Frequency</b>	<b>% of Time</b>
1. Develop the strategic direction of the district related to teaching and learning. Plan and lead the district’s educational programs with input from appropriate departments, organizations, and other stakeholder groups, ensuring that Colorado education standards are met or exceeded and are aligned with board of education and superintendent directives. Drive and support the integration of technology into content areas.	D	20%
2. Oversee and ensure planned and positive outcomes of all areas of control, including but not limited to improvement of district graduation rates; improvement in student growth on state and district assessments; reduction of achievement gaps between pupil subgroups; and development of new magnet schools and programs.	D	20 %
3. Plan and lead the district’s professional development efforts, including further implementation of the teaching and learning cycle and improvement of professional development activities on early release days.
