

# Five Star LEADERSHIP ACADEMY

## PURPOSE

The Five Star Leadership Academy serves as an opportunity for Adams 12 Five Star Schools parents and community members to increase their knowledge of school district and state education affairs creating a sense of shared responsibility and partnership which leads to future leadership roles.

## GOAL

The goal of the Five Star Leadership Academy is to empower members to become involved in state and local education and take on future leadership roles within the district by becoming a leader who:

- **Knows *What*:** Knowledge of district and public education policies, actions and works.
- **Knows *Who*:** Personal relationships with school administrators and staff, elected officials and other parents and community members.
- **Knows *How*:** Public Participation with an increased knowledge of navigating "wicked" problems and engaging with differing opinions.

## DIALOGUE VALUES

- Pay attention to your intentions
- Balance advocacy with inquiry
- Build shared meaning
- Use self-awareness as a resource
- Explore impasses
