

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

Glacier Peak has thrived as a school invested in its community and focused on developing successful student readers. Our proposed investments will directly benefit students through additional academic interventionists, smaller class sizes, new social-emotional curriculum and support staff to serve the needs of all our students. These commitments meet the needs of Glacier Peak and directly align with the district's new strategic plan — ELEVATE.

– Tim Griffin, Glacier Peak Elementary Principal
