

Job Description

Job Title:	Gifted Services and Advanced Academic Director	Job Code:	30ACDR1
Job Family:	Certified	FLSA Status:	Ex - A
Pay Program:	Administrative	Pay Range:	L 13
Prepared/Revised Date:	February 2017	Work Year:	12 months

SUMMARY: Serve as part of the learning services team whose primary responsibilities are to support schools, lead a comprehensive vision for teaching and learning and to model the way regarding best practices across the district. Provide district-wide leadership to schools and other departments in the implementation of standards-based education aligned to the Colorado Academic Standards and the important shifts in the Common Core. Lead the Advanced Academic & Gifted Services (AAGS) department in best practice delivery of services to gifted & talented (GT) and advanced learners. Supervise and monitor the advanced academic and gifted services team and ensure compliance with all state expectations, regulations, policies and budgets; monitor student results related to AAGS initiatives and provide guidance and suggested next steps to district leadership based on data and research. Partner with key stakeholders across learning services to develop educational targets, monitor legal issues, and ensure assessment plans are appropriately implemented. Responsible for ensuring district-wide compliance around federal, state, and District and Board of Education policies.

ESSENTIAL DUTIES AND RESPONSIBILITIES: *To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

Job Tasks Descriptions	Frequency	% of Time
1. Support schools, educational leaders, and teachers in the identification, assessment and programming of advanced academic and gifted learners. Support teachers in learning and implementing best practices for gifted learners. Meet with school GT coordinators to assist in the coordination and improvement of school-based programs and services and to develop innovative programming options and instructional strategies to attract and retain district students. Work with learning services coordinators to develop alternative and advanced learning pathways in all content areas to ensure that <i>all</i> students achieve meaningful growth.	D	20%
2. Work collaboratively with directors in Learning Services to lead stakeholder engagement, strategy development, and implementation of standards-based education. Create, lead, support and facilitate district-wide implementation of effective differentiated, standards-aligned instructional practices across all content areas and further develop and implement <i>the Adams 12 Tiered Intervention model</i> . Work collaboratively with the director of professional learning to develop and delivery effective professional learning to all stakeholder groups.	D	20%
3. Assist in hiring and supporting GT and international baccalaureate (IB) coordinators; partner with the professional learning director to ensure GT and IB coordinators are effectively trained and provide effective coaching support for teachers on instructional best practices in supporting gifted and advanced ability learners, curriculum changes, resource alignment and data analysis.	D	10%
4.
