

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

We recently earned the highest performance score in the school's history as determined by the state. In our effort to sustain that growth, our students need individualized attention in their classroom and the additional supports needed to succeed. These proposed investments would reduce class sizes, provide additional academic interventionists, allow us to attract and retain world-class staff, and support the whole child through a social-emotional curriculum. The district's new strategic plan, ELEVATE, aligns with these investments and will help Hillcrest continue to Reach New Heights!

– Stephanie Taylor, Hillcrest Elementary Principal
