

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

McElwain will increase student access to technology, improve the safety of the building and receive a new playground thanks to the 2016 Bond Program. While these projects are just beginning, there are still ways in which we can improve our children's academic experience. Our students deserve smaller class sizes and expanded preschool opportunities. These proposed investments will not only help students be kindergarten ready, but also support learning environments that honor both academic and social-emotional growth.

– Justina Carney, McElwain Elementary Principal
