

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

Malley Drive is committed to providing an educational experience for all students where they can thrive and be successful. We are excited about the opportunities we can offer our students, families and staff with these proposed investments. By providing lower class sizes, new social-emotional supports and additional academic interventionists, we will be able to meet the individual needs of all our students and continue to raise academic achievement and growth.

– Francesca Craver, Malley Drive Elementary Principal
