

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

At Meridian, our vision is to ensure our children grow socially, emotionally and academically so that they may become engaged and contributing members of society. We are excited about these proposed investments because they would further elevate our ability to attract highly-qualified staff, allow for more customized learning opportunities, and provide access to new technology. I am thankful for the strong community support of Meridian. Our school's successful outcomes are truly a community success.
