

# MIDDLE SCHOOL INVESTMENT PLAN

## Ballot Issue 5C and Amendment 73 Funding Proposal

Northglenn Middle is a community of life-long learners focused on fostering our abilities to effectively reason, problem solve, collaborate, think critically and communicate for success in the 21st century. With these proposed investments we will be able to introduce positive extra-curricular opportunities such as middle school competitive sports and outdoor learning experiences. To further support the whole child, we will be able to add critical social-emotional learning supports and an additional campus supervisor. Through these investments, Northglenn Middle can become an optimal learning environment for all students.

– Grant Underwood, Northglenn Middle Principal
