

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

We are extremely proud of our students' academic growth at North Mor where we recently earned the highest performance score in the school's history as determined by the state. We strive to further support the whole child by focusing on the academic, social and behavioral needs of all students. Our proposed investments would include an additional social worker in our school and the development of a social-emotional learning curriculum. We know this will benefit our entire community of students, families and staff.

– Stephanie Frankenfeld, North Mor Elementary Principal
