

HIGH SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

We are proud of our more than 300 graduates in the 2017-2018 school year and look forward to providing an alternative pathway for many more students in Adams 12 Five Star Schools in the years to come. Each year we see the number of students who would benefit from an alternative education pathway continue to grow beyond what we can provide. These proposed investments would allow us to serve more students that need alternative education options.

– Matt Schmidt, Pathways Future Center School Principal
