

## Parent Questions for CU about the Clear Bag Policy

Camera and camcorder size - can professional cameras be worn around your neck and/or can they be disassembled and placed in a clear bag?

- Cameras can be brought in, however camera bags would not be allowed. The pieces can be placed in a clear bag if needed. If the Camera is from a professional photographer that you have given clearance to, let us know and we will have them check their bag in at our staff entrance.

- Allowed, however please only bring an umbrella if needed because it slows the entry process.

Posters and banners - what constitutes acceptable

Grandparent's wheelchairs

- Wheelchairs will be available for staff at the guest relations kiosk at the main entrance. For those coming in a wheelchair, the entrance is on the regent drive side left of the stairs leading to the main entrance

Flowers and balloons - can we bring these or are they for sale at the Event Center
