

Our School's INVESTMENT PLAN

2016 BOND PROPOSAL

The 2016 bond proposal provides every school with funding for building improvements.
Read below for a detailed list of your school's specific projects.

Rocky Mountain Elementary School

PROJECTED OVERALL BUDGET

\$2.5 - \$2.9 MILLION*

* Value listed subject to change based on project estimates and additional discovery.

RENOVATIONS & REMODELS

- Repair or replace specials (music, art, gym) program components such as wall panels, ceiling tiles, flooring and program specific equipment

BUILDING STRUCTURE

- Repair/restore roof sections to extend service life
- Repair/restore deteriorating stucco
- Repair building structure and systems in the crawlspace
- Repair, patch and paint exterior doors and windows to extend service life

BUILDING SYSTEMS/SAFETY & SECURITY

- Replace deteriorating sewer system components
- Update central electronic timing/clock system to ensure effective safety, security, bell schedule, irrigation, and heating and cooling schedules
- Upgrade electrical components to avoid building power loss and learning disruptions
- Upgrade heating and cooling systems for efficiency and more consistent temperature control for comfort
- Install digital security camera system

SCHOOL GROUNDS

- Repair/restore failing retaining wall

INSTRUCTIONAL UPGRADES

Each school is provided with funding for instructional upgrades that will be determined through a collaborative process with the school community. Categories can include furniture, technology, space modifications, safety and security upgrades and specials/electives.
