

STEM K-8 Expanded Opportunities

Thanks to the renovation, reconstruction and remodel work as part of the 2016 Bond Program, district magnet schools focused on STEM-education are accepting additional students for the 2019-2020 school year.

STEM LAB

RENOVATION AND RECONSTRUCTION
TO BE COMPLETED FOR THE 2019-2020
SCHOOL YEAR.

- Expanded opportunities:
 - Adding a class at each grade level K-7
 - Adding a preschool program*
- Limited choice available at 8th grade
- Three priority spots will be reserved for Malley Drive boundary families at each grade level.

**Preschool enrollment does not guarantee kindergarten placement.*

STEM Launch

BUILDING REMODEL TO BE COMPLETED
FOR THE 2019-2020 SCHOOL YEAR.

- Expanded opportunities:
 - Adding two classes at each grade level K-2
 - Adding one class at 3rd grade
- Limited choice available at 4th - 8th grades

For priority consideration, apply before Jan. 31, 2019.

Both STEM Lab and STEM Launch are magnet schools.

If a student is not currently enrolled in the school, families must submit an application through the choice process > www.adams12.org/choice
