

# School Construction: Student Safety Presentation

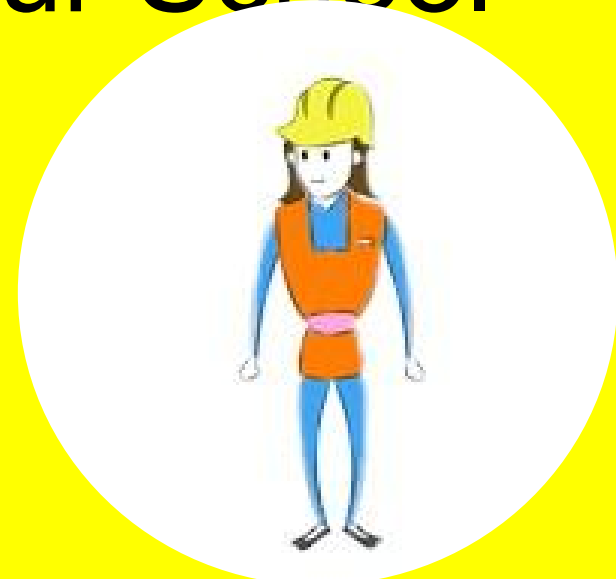

# People Working at Your School

**Architects & Engineers**

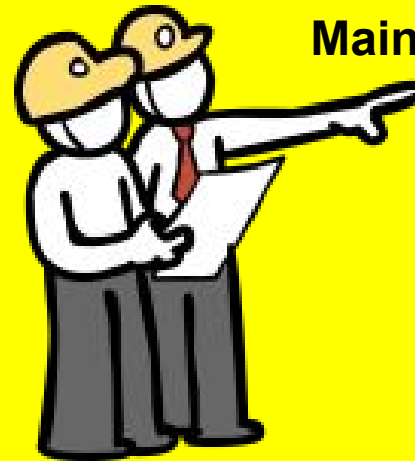

**Construction Workers**

**District Maintenance Staff**

**Movers**

**Project Manager**

# S

# Construction Signs

DURING CONSTRUCTION

- Please read and obey all construction signs, they tell us important things.
- If you are unsure, please ask an adult to help.

# A

# Be Alert

DURING CONSTRUCTION

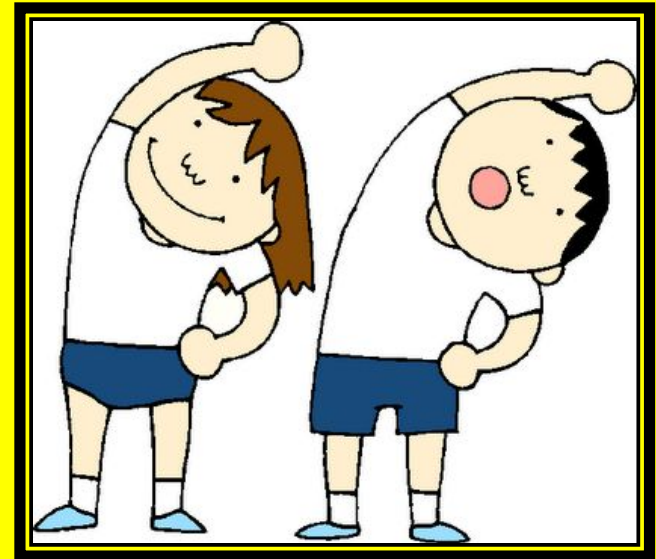

- Be alert at all times and be aware of your surroundings!
- Listen to adults and follow all directions for everyone's safety!

# F

## Stay Flexible DURING CONSTRUCTION

- Your routines and daily schedule may change based on the construction project!
- Remind others to stay flexible during construction!

# E

## Everyone has a job!

DURING CONSTRUCTION

- To be safe, construction workers must focus on their work.
- Students can help by staying focused on learning and staying in designated areas!

# Stay S.A.F.E!

DURING CONSTRUCTION

Signs: Read all and obey construction signs!

Alert: Be alert at all times!

Flexible: Routines may change!

Everyone: We all have a job to be safe!

*Respect the rules and stay safe.*
