

ELEMENTARY SCHOOL INVESTMENT PLAN

Ballot Issue 5C and Amendment 73 Funding Proposal

We are excited about having the opportunity to expand support for our students both academically and emotionally. The ability to provide academic interventionists, a social-emotional curriculum along with additional counselors, and expanding our preschool programming to support our students is critical to all of our students' success. These investments will solidify the foundation for our students' academic and career pathways as they grow and develop into contributing members of our community.

– Matt Haviland, Woodglen Elementary Principal
