## Part I: Physical Safety

### Agenda

The evening will include a presentation from district staff and the opportunity to engage in table conversations about the following current physical safety measures that are ongoing in the Five Star District:

**Secure buildings** - including secure vestibules at all levels, cameras, radios, high school secured campuses and student ID access, and Raptor® visitor system.

**Training, drills and response** - including annual student and staff trainings, Standard Response Protocol (lockOUT, lockDOWN, evacuate, shelter, hold), timing of safety drills, district safety video, and district reunification team.

**Assessment and management of threats** - including the threat assessment team and process, types of assessments, student safety plans and Safe2Tell.

**Safety staff and roles** - school safety teams, School Resource Officers, campus supervisors, district communication center and district safety leadership.

**Parent Partnership** - Your role and how you can support student and school safety.

*There will be an opportunity in the meeting to ask additional questions you may have.*

## Part II: Social-Emotional Learning & Safety November 6

Don't forget, part two of the two-part "web of safety" series is scheduled for **Nov. 6**. The Board of Education will host a community conversation about the district's focus on Social-Emotional Learning.

Save the date to join us in November for conversations about social-emotional learning curriculum, supports and staff at all grade levels, and mental health supports.
