

BOARD POLICY

ENDS

1.4 SCHOOLING –ASPIRATIONS

Monitoring: Internal. Frequency: Annually - February.
Adopted: November 29, 2010.

In order to achieve General Ends Policy 1.0 and for all Adams 12 Five Star Schools' students to become more effective learners, aspirations of the District are prioritized below.

Being responsive to the vision(s) of our community, the goals are as follows:

1. Throughout Adams 12 Five Star Schools, there will be consistent technology resources provided to all schools.
2. Adams 12 Five Star Schools will develop and expand the offerings of relevant and current magnet schools and programs at various locations throughout the District.
3. Adams 12 Five Star Schools will develop and expand the offerings of relevant and current technical educational programs at various locations throughout the District.
4. Adams 12 Five Star Schools will develop and offer full day kindergarten programs at each elementary school throughout the District.
5. Adams 12 Five Star Schools will expand the world language programs to the elementary level beginning between 1st and 3rd grade and until serving all grades kindergarten through 12th grade.
6. Adams 12 Five Star Schools will develop and offer pre-school programs at each elementary school throughout the District.
